

COPYRIGHT NOTICE

Copyright © 2003-2009 Environment & Power Systems International, LLC

Ownership of copyright

The copyright in this website and the material on this website (including without limitation the text, computer code, artwork, photographs, images, music, audio material, video material and audio-visual material on this website) is owned by Environment & Power Systems International and its licensors.

Copyright license

Environment & Power Systems International grants to you a worldwide non-exclusive royalty-free revocable license to:

- view this website and the material on this website on a computer or mobile device via a web browser;
- copy and store this website and the material on this website in your web browser cache memory; and
- print pages from this website for your own [personal and non-commercial] use.

Environment & Power Systems International does not grant you any other rights in relation to this website or the material on this website. In other words, all other rights are reserved.

For the avoidance of doubt, you must not adapt, edit, change, transform, publish, republish, distribute, redistribute, broadcast, rebroadcast or show or play in public this website or the material on this website (in any form or media) without Environment & Power Systems International's prior written permission.

Data mining

The automated and/or systematic collection of data from this website is prohibited.

Permissions

You may request permission to use the copyright materials on this website by writing to Environment & Power Systems International. See Contact Page.

Enforcement of copyright

Environment & Power Systems International takes the protection of its copyright very seriously.

If Environment & Power Systems International discovers that you have used its copyright materials in contravention of the license above, Environment & Power Systems International may bring legal proceedings against you seeking monetary damages and an injunction to stop you using those materials. You could also be ordered to pay legal costs.

If you become aware of any use of Environment & Power Systems International's copyright materials that contravenes or may contravene the license above, please report this by email to Environment & Power Systems International or by post to our address. See Contact Page for address.

Infringing material

If you become aware of any material on the website that you believe infringes your or any other person's copyright, please report this by email to Environment & Power Systems International or by post to our address. See Contact Page.

This copyright notice

This copyright notice is based on a precedent created by website-contracts.co.uk and published by freenetlaw.com
